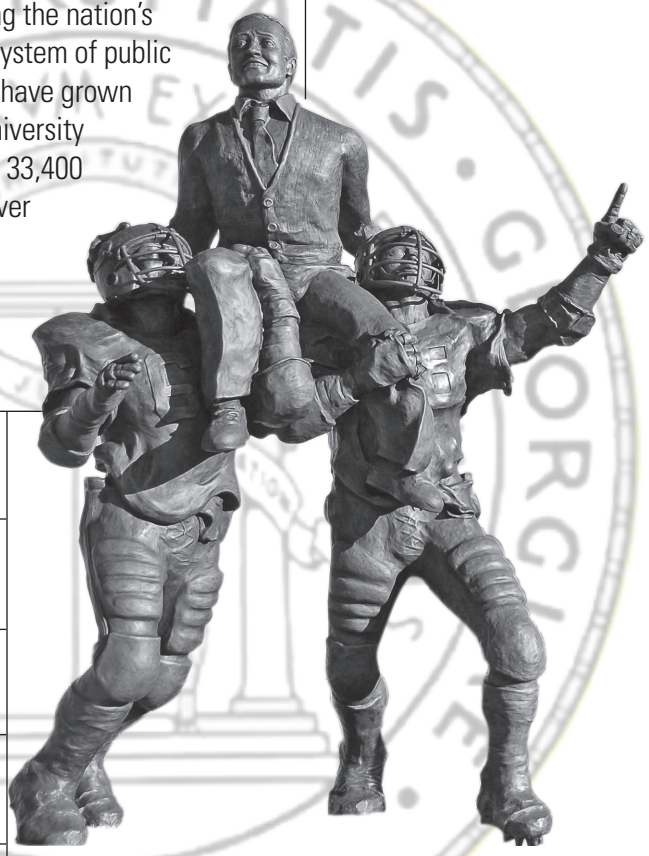
2014 Softball Media Guide

THE UNIVERSITY OF GEORGIA

In January of 1785 — two years after the Revolutionary War — the Georgia legislature adopted the charter that created the University of Georgia. In founding the nation's first state university, the legislature also gave birth to the American system of public higher education. Over the past 220 years, Georgia and its university have grown together as partners in a burgeoning prosperity that has made the University a fast-track contender for educational pre-eminence. With more than 33,400 students, a work force of more than 9,000 and an annual budget of over $1.4 billion, the University of Georgia is Georgia's largest, oldest and most comprehensive educational institution. Widely recognized for excellence in instruction, research and public service, the University has moved into the ranks of America's foremost public universities.



5	According to the *Open Doors* 2012 list, Georgia ranked fifth in the nation in the number of students who participate in summer and other short-term study abroad programs.
9	The University of Georgia College of Veterinary Medicine was ranked 9th in the most recent *U.S. News and World Report* ranking of colleges of veterinary medicine.
13	The UGA school of law is ranked 13th among the top public law school's in the nation, according to *U.S. News and World Report's* 2014 edition of America's Best Graduate Schools
14	*Kiplinger Magazine* ranks UGA 15th in its 2013 list of the "100 Best Values in Public Colleges."
19	*U.S. News & World Report* ranks the Terry College's BBA program 19th among public business schools.

Mission Statement
The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

The Standard of Excellence
The Southeastern Conference, with its storied 80-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition of any league in the country since its inception in 1933.

The 2012-13 academic year was another season to remember for the SEC as conference teams captured seven national titles and six national runner-up finishes. The SEC has won consecutive national championships in football, gymnastics, men's indoor track & field and men's outdoor track and field. Since 1990, the SEC has won 156 national team championships for an average of more than six per year.

Alabama won the SEC's first national title of the year with its win in the BCS National Championship Game in football. It is the SEC's seventh consecutive football national title. Florida won the league's third consecutive gymnastics title and 16th overall. The Auburn equestrian team brought home the national title in the sport's first year in the SEC. Alabama won its first ever national championship in the sport of men's golf. Arkansas won its 12th national title in men's indoor track & field. Florida and Texas A&M shared the national title in men's outdoor track and field after both squads recorded 53 points at the national meet. Georgia's women's swimming and diving team brought home their fifth national title.

Overall, the SEC finished in the top two in 11 of its 21 sponsored sports and in the top five in 13 of the 21 sports. Nine SEC teams participated in football postseason bowls with Alabama winning BCS Championship. Three men's basketball teams were invited to the NCAA Tournament and seven women's basketball teams were also invited to the NCAA Tournament. The SEC had nine teams advance to postseason play in baseball with LSU and Mississippi State advancing to the College World Series. With 171 teams advancing to NCAA postseason competition, the SEC continued to solidify its place as the nation's premier conference.

In addition to the seven team championships, 93 SEC student-athletes garnered individual national championships, while 559 individuals were awarded with First-Team All-America Honors. Student-athletes around the league continued to excel in the classroom as well with more than 3,100 earning recognition on the SEC Academic Honor Roll.

On the national all-sport level, 12 SEC schools placed in the top 50 of the NACDA Director's Cup rankings. Florida led the league with a second-place finish. Texas A&M placed fifth while Georgia was 10th; LSU finished 19th, Arkansas 21st, Kentucky 25th, Alabama 26th, Auburn 33rd, Tennessee 37th, Vanderbilt 46th and Mississippi State 49th to round out the league's top-50 finishes.

Jere W. Morehead
University President

Jere W. Morehead became the University of Georgia's 22nd president on July 1, 2013, having previously served as UGA's senior vice president for academic affairs and provost since 2010.

"Becoming president of the University of Georgia is a dream come true for a UGA graduate who has spent more than half of his life on this campus," he said at the time of his appointment. "I truly believe the University of Georgia is poised to become one of the greatest public universities in the United States." In announcing President Morehead's selection, University System Chancellor Hank Huckaby said, "Our students will be in excellent hands under his leadership. Jere will bring the vision and energy essential to UGA advancing its land grant mission."

President Morehead's career covers a wide range of faculty and administrative posts. Prior to 2010, he served UGA in several administrative roles, including vice president for instruction, vice provost for academic affairs, associate provost and director of the Honors Program, and acting executive director of legal affairs. He also has served as vice chair of the Georgia Athletic Association Board of Directors, vice chair of the UGA Research Foundation, UGA Foundation trustee and UGA Real Estate Foundation trustee. From 2003 to 2010, he served as the University's Faculty Athletics Representative.

President Morehead is the Meigs Professor of Legal Studies in the Terry College of Business, where he has held a faculty appointment since 1986. He is a co-author of several books and book chapters, including The Legal and Regulatory Environment of Business, and he has published scholarly articles on legal topics ranging from export controls to jury selection. He has served as editor-in-chief of the American Business Law Journal and previously held several other editorial board positions with the ABLJ.

He directed the UGA Law School's Advocacy Program from 1986 to 1995 at a time when the moot court teams he coached won international, national, regional and state championships. In 1995, he served as a visiting professor of business law at the University of Michigan. While serving as vice president for instruction, he launched UGA's Washington Semester Program, which now provides over 40 undergraduate students each year with the opportunity to live, work and study in Washington, D.C.

President Morehead has received several University-wide teaching awards, including the Josiah Meigs Award – UGA's highest honor for teaching excellence, the Richard B. Russell Award for Excellence in Undergraduate Teaching, the Teacher of the Year Award in the Terry College of Business, and the Lothar Tresp Outstanding Honors Professor Award.

A native of Lakeland, Fla., he served as an assistant United States attorney with the Department of Justice from 1980 to 1986. President Morehead is a 1980 graduate of the UGA School of Law, where he earned a Juris Doctor. He is the first alumnus of UGA to be named president since Dr. Fred Davison in 1967.

Greg McGarity
J. Reid Parker Director of Athletics

Athens native and University of Georgia graduate Greg McGarity was named Director of Athletics at UGA on August 13, 2010, after serving 18 years in the athletic department at the University of Florida.

Since that time, McGarity has injected a program of imagination and innovation into the Georgia Athletic Association with emphasis on exploring new ideas and initiatives designed to move the organization forward in all areas of competition, academics, and service.

Among the many initiatives are implementation of a nutrition program for all sports, greater emphasis on customer service as well as community service, scoreboard upgrades enhancing the in-game experience for guests and patrons in all sports, and development of leadership programs fostering staff development. In addition, he has encouraged the experimentation of new ideas such as moving volleyball competition to Stegeman Coliseum and helping bring a sold-out concert (Jason Aldean, 65,000) to Sanford Stadium for the first time in stadium history. He was also instrumental in development and implementation along with Nike of a new brand identity program which brings consistency in use of colors, logos, lettering and numerals to Georgia sports teams.

He was named recipient of the 2013 Tom Osborne Award presented by the Collegiate and Professional Sports Dietitians Association (CPSDA) for special achievement and contributions to advanced-practice sports nutrition.

McGarity oversees a 21-sport athletics program supported by a budget of $92 million. Since becoming Director of Athletics, Georgia teams have won a national championship in women's swimming and diving (2013) and SEC championships in men's tennis (2011 and 2013), women's tennis (2013), women's swimming and diving (2011, 2012, 2013), men's tennis SEC Tournament (2012 and 2013), and two SEC eastern division titles in football (2011 and 2012). During that time 18 different Georgia teams have been ranked in the nation's top 20 and 10 in the top ten. Georgia's standing in the Learfield Director's Cup, which annually measures athletic teams success in NCAA championships, has improved from 20th in 2011 to 10th in 2013.

A 1976 graduate of UGA's Grady College of Journalism and Mass Communication, McGarity is a 2012 inductee into the Grady Fellowship, a recognition program to honor those whose influence, achievements and service to the media professions have enhanced the reputation of the Grady College. He was also appointed in 2012 to the NCAA Division I Football Issues Committee, a position he will hold through 2016.

At UF, he served as Executive Associate Athletic Director after serving as both an associate and senior associate athletic director during his tenure. His duties at Florida included assisting the athletic director in daily operations of the department, assisting in preparation and approval of the annual budget and extensive involvement in long-term planning, contracts, competition scheduling and employment searches, among other areas. McGarity was involved in the planning and supervision of several construction projects, including the expansion of Ben Hill Griffin Stadium and the William Heavener Football Complex.

McGarity was a letterman on the 1973 Bulldog tennis team and following graduation began his professional career at UGA. After serving as a student assistant from 1973-77, he held positions as assistant sports information director and head women's tennis coach (1977-82), administrative assistant (1982-88), and assistant athletic director for facilities and event management (1988-92).

McGarity is married to the former Sheryl Holland, who graduated from UGA in 1976 with a Bachelor of Science degree in education. They have one son, Alex, a graduate of the University of Florida and the University of Georgia.

Jack Turner Stadium

The Georgia softball team will play its 11th season in its multi-million dollar softball stadium in 2014. The facility holds close to 1,400 fans and features the best amenities possible. The Jack Turner Stadium, named for the late Jack Turner thanks in part to gifts from himself and his son Jimmy Turner, has been chosen to host six NCAA Regionals and three NCAA Super Regionals since its inception in 2006.

Both the Georgia and visiting team dugout are connected via tunnel to locker rooms. The Bulldogs' locker room area has all facilities located in it including an athletic training room, players' lounge, game room, locker room, showers, and the coaches' offices and locker room. On the first base side, the visiting team has its locker room and showers along with the umpires' locker room. A state-of-the-art press box was built as well. The press box has suites for radio, television, media and athletic administration. Georgia's stadium ranks among the nation's best and will continue to be an attractive site for NCAA postseason play for years to come.

Jack Turner

Jack Turner was named to the University of Georgia Foundation Board of Trustees in 1999, where he has served as an active member of the Investment Committee. He graduated from the University of Georgia in 1953 with a Bachelor's of Business Administration in Finance and was a member of Chi Psi fraternity, the Air Force ROTC and Gridiron. As an athlete he was a letterman in both baseball and basketball.

Following graduation, he served as a pilot in the U.S. Air Force and after serving his country embarked on a professional career in the financial services industry. Jack was president and retired as chairman of the board of American Funds Distributors, a subsidiary of the American Funds Group, based in Los Angeles in 1995.

What has followed could not be characterized as a "quiet retirement." Jack has dedicated much of his retirement years to the University of Georgia. His service includes:

Director of the Georgia Student Educational Fund (the forerunner to today's William C. Hartman Fund), Executive Committee member and director of the National Alumni Association, Member of the board of the UGA Athletic Association, Chairman of the UGA Athletic Association Finance Committee, Chairman of the UGA Athletic Association Facilities Committee, Chairman of the Georgia Athletic Association Student Athletic Scholarship Endowment Fund (through which Jack has endowed several scholarships), Founding member and partner in the President's Club, Member of the Heritage Society

In addition, Jack founded the Turner Family Foundation, a private organization that supports local charities. In 1999, he was honored by the National Football Hall of Fame for his outstanding support of amateur football and in 2002 was part of the inaugural class of inductees to the UGA Athletic Association's "Circle of Distinction," honoring his service to the organization. The Terry College of Business honored him in 2002 as a "Distinguished Alumni" for his longtime service to the school.

2014 Season Outlook

The 2014 Bulldogs look to build off of last year's success

Looking to build off of the success of last season, which saw the Bulldogs post a 40-21 record and make the NCAA Tournament for the 12th straight year, the 2014 Georgia softball team returns several key players, including seven position starters and two starting pitchers for 2014.

The Bulldogs return an impressive regime that accounted for 82 of the 93 home runs hit last year and 325 of the 406 runs scored. Georgia also welcomes back one NFCA All-American, three Easton All-Americans, three All-Southeast Region selections, three SEC All-Freshman honorees and two First Team All-SEC selections.

Among the returners is NFCA Third Team All-American and Southeastern Conference Co-Freshman of the Year Geri Ann Glasco. The SEC All-Freshman selection finished last season with a team-best 19 home runs, while driving in 61 runs and hitting at a .363 clip. In addition to her year-end honors, Glasco was named the SEC Freshman of the Week three times and the National Player of the Week twice.

Georgia also welcomes back First Team All-SEC and NFCA All-Region selection Paige Wilson. Wilson, who has started every game in her two years, will provide leadership and experience in the infield this season. Wilson also provides a steady and powerful bat in the lineup, as she hit at a team best .403 average last season, while belting 16 home runs, driving in 66 runs and scoring 59 times. Wilson was also named the SEC Player of the Week once last season and picked up SEC All-Tournament honors.

First Team All-SEC, SEC All-Freshman and NFCA All-Region team honoree Kaylee Puailoa also returns for her sophomore season. Puailoa finished second on the team with a .380 batting average, while hitting 11 doubles and 16 home runs last season. She also slugged at a .725 clip for the year and was recognized as the SEC Freshman of the Week once. Puailoa was also the only freshman to be named to the all-conference team last year.

Sophomore Chelsea Wilkinson looks to build off of her momentum from last season in the circle. Wilkinson finished with an 8-6 record last season, with four wins coming over top-15 opponents. She also finished with a 5-2 record in SEC play, earning her a spot on the SEC All-Freshman Team. She also threw a no-hitter in her first win of the year against Radford, struck out a season-best 14 batters against no. 2/3 Florida and threw a complete game shutout against both South Carolina and No. 10 LSU.

The 2014 schedule will have 30 home dates, including Southeastern Conference series against Mississippi State, South Carolina, Auburn and Kentucky. The squad will travel to take on SEC foes Texas A&M, Missouri, LSU and Alabama for a total if 24 SEC contests. The 2014 slate also features 32 non-conference games, 32 games against 2013 NCAA Regional teams and 12 games against teams that made it to the Super Regional Round of the 2013 NCAA Tournament.

Archibald led the Southern Force Organization to five Final Four appearances at the ASA 16U "A" Nationals including a Runner-Up National Championship in 2007. Her squad also finished second in the 16U Independence Day Tournament in Boulder, Colo., in 2007 and then won the tournament in 2011.

Additionally, Archibald was an assistant coach at Pinckneyville High School from 2005-06. Yolanda McRae

Volunteer Assistant Coach
First Season
Georgia, '05

Yolanda McRae makes her return to Georgia as a volunteer assistant coach for the Bulldogs. McRae returns to Athens having spent the past two seasons as a member of the Virginia softball coaching staff.

During her time at Virginia, McRae was instrumental in the steady increase in offensive production by the Cavaliers. She also helped the team to a 2011 sweep of Georgia Tech, the first ever sweep in the Perkins era. In her first season at Virginia, she helped the Cavaliers' double their home run production, going from 12 in 2011 to 29 in 2011.

McRae spent the 2010 and 2011 seasons as an assistant coach and recruiting coordinator at Maryland. During her tenure, she helped lead the Terps to their first and second NCAA appearances in a decade. In 2011, McRae and the Terps recorded the best record in Maryland history, going 40-19. During that season, Maryland posted the second-most conference wins in program history, finishing with a 12-7 record in Atlantic Coast Conference play, which gave it a third-place finish in the ACC and helped the Terps host an NCAA Regional for the second straight year.

Prior to her stint in College Park, McRae had three successful seasons at Georgia Tech as an outfield and hitting coach. After setting a school record for wins in 2007, the 2009 Yellow Jackets won the ACC regular season and tournament titles, as well as a NCAA regional championship title. McRae also was heavily involved in the recruiting efforts at Georgia Tech, helping the Yellow Jackets to one of the strongest outfields in the nation. With her help, the 2008 recruiting class went on to win four ACC Championships.

Before her time at Georgia Tech, McRae spent the 2006 season as a volunteer coach at Georgia, where the squad earned a top-10 national ranking.

A native of Dublin, Ga., McRae is a 2005 graduate of the University of Georgia, where she earned her bachelor's degree in health and physical education. After spending three years at Georgia State, McRae transferred to Georgia and spent one season in the Red and Black, helping the Bulldogs to their first SEC title.

2013 Season Recap

The University of Georgia softball team advanced to the NCAA Tournament for the 12th-straight season under the direction of Head Coach Lu Harris-Champer. The Bulldogs finished the 2013 season with a record of 40-21, marking the 13th time that the Bulldogs have ended the season with at least 40 wins. Georgia finished fifth in the SEC with a record of 14-9.

Georgia became known as a power-hitting team throughout the season, registering 93 home runs, just six shy of the school-record of 99, set in 2010. Geri Ann Glasco led the team in power, finishing with a Georgia freshman record 19 home runs. Five players finished with double-digit home runs, including Glasco, Paige Wilson, Kaylee Puailoa, Tina Iosefa and Anna Swafford.

The Bulldogs got better as the schedule got tougher, finishing with seven wins over ranked opponents in the final five weeks of the season. The strong finish to the season allowed them to secure a spot in both the SEC and NCAA Tournament. Georgia earned the No. 5 seed in the SEC Tournament and defeated SEC Western Division Champion LSU for a third time with a 7-0 shutout win. Georgia fell to SEC Regular Season Champion Florida in the semifinals of the tournament.

The season was not over, as the Bulldogs traveled to Tempe, Ariz., to face the No. 5 National Seed Arizona State in the NCAA Regional. Georgia went 2-2 in the Regional, with a pair of wins over San Diego State, but fell to Arizona State, who made it to Oklahoma City for the Women's College World Series.

Georgia picked up numerous postseason honors, with four players earning five All-SEC Honors, two All-SEC Tournament selections and three NFCA All-Regional honorees, one NFCA All-American and three Easton All-Americans. Georgia also picked up five SEC Freshman of the Week honors, one SEC Player of the Week honor and two National Player of the Week honors.

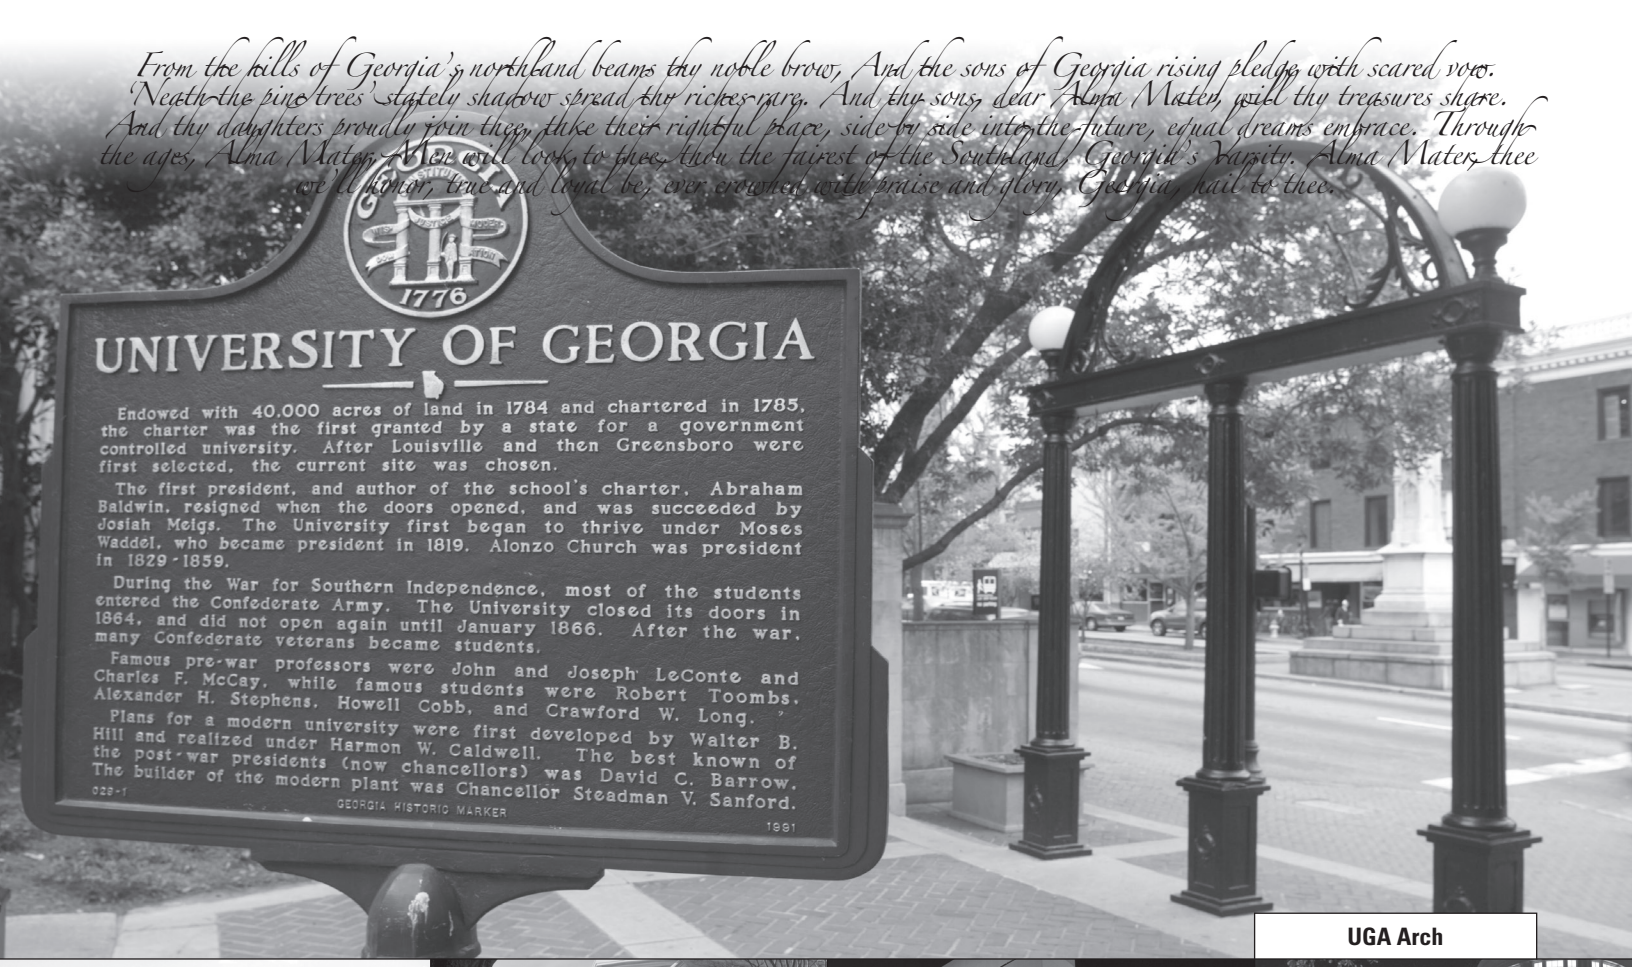
From the hills of Georgia's northland beams thy noble brow, And the sons of Georgia rising pledge with scared vows. 'Neath the pine trees' stately shadow spread thy riches rare. And thy sons, dear Alma Mater, will thy treasures share. And thy daughters proudly join thee, take their rightful place, side by side into the future, equal dreams embrace. Through the ages, Alma Mater, Men will look to thee, thou the fairest of the Southland, Georgia's Varsity. Alma Mater, thee we'll honor, true and loyal be, ever crowned with praise and glory, Georgia, hail to thee.



1776
UNIVERSITY OF GEORGIA
Endowed with 40,000 acres of land in 1784 and chartered in 1785, the charter was the first granted by a state for a government controlled university. After Louisville and then Greensboro were first selected, the current site was chosen.
The first president, and author of the school's charter, Abraham Baldwin, resigned when the doors opened, and was succeeded by Josiah Meigs. The University first began to thrive under Moses Waddel, who became president in 1819. Alonzo Church was president in 1829-1859.
During the War for Southern Independence, most of the students entered the Confederate Army. The University closed its doors in 1864, and did not open again until January 1866. After the war, many Confederate veterans became students.
Famous pre-war professors were John and Joseph LeConte and Charles F. McCay, while famous students were Robert Toombs, Alexander H. Stephens, Howell Cobb, and Crawford W. Long.
Plans for a modern university were first developed by Walter B. Hill and realized under Harmon W. Caldwell. The best known of the post-war presidents (now chancellors) was David C. Barrow. The builder of the modern plant was Chancellor Steadman V. Sanford.
